Harmony 42

The Harmony 42 is a reference Harmony in terms of comfort and cruising performance. She is also recognized as a true cruiser racer in the over 40' league. In Australia the Harmony 42 won the PHS Division of the Pittwater Coffs Harbour Series in 2008.

Now available with a choice of Elegance or Esprit specification. The classically styled hull shape and deck on Harmony yachts, ensures comfort, performance and ease of handling.

Your Harmony 42 can be customised with a range of inclusions to suit your sailing needs, from racing and performance cruising, through to short handed long distance sailing.

Available as 3 cabin, 1 or 2 head layout.

Why Choose Harmony?

Over 25M Euro invested in a state of the art factory in La Rochelle, France.

Utilisation of high -tech & fully automated production techniques adopted from leaders in the automobile and aviation industries.

Use of Resin Transfer Moulding (RTM) - both throughout the deck and hull:-

NO OTHER PRODUCTION YACHT USES THIS TECHNOLOGY THROUGHOUT THE ENTIRE DECK & HULL

A clear sail away price, including sails, deck gear & standard electronics.

Choice of interior and exterior finishes Elegance or Esprit including teak cockpit, toe rail and hull graphics.

Sail Away package can be further customised to suit your sailing needs - cruising, off shore racing or short handed sailing

Harmony uses the world's best marine brands insuring performance and warranty guarantees

True Off Shore capability

Outstanding performance and reviews in Australian boating media

Proven as a true cruiser racer - winner PHS division Pittwater to Coffs Harbour race 2008 (Harmony 42)
