

Sunsail 41 - 3 Cabin, 2 Head *Specifications*

Specification and Equipment

HULL & DECK

Prisma Process® injected deck, ISO gelcoat surface, discontinuous balsa block coring

Solid, hand-laid fibreglass hull with ISO gelcoat surface, protective barrier coat

3rd generation inner fibreglass grid, high-load zones cut out and relaminated, drainage system through structure, special emergency repair zone in keel area

Open stainless steel bow pulpit

Stainless steel stern pulpits with flag holder and buoy bracket

Outboard engine bracket mounted on stern pulpit

Double stainless steel lifelines without PVC coating, stainless steel stanchions

Opening lifeline gates on each side

Toerail with integrated stainless fairleads and drainage for side deck

4 x Mooring cleats forward and aft

2 x Cleats placed on side deck

Sculpted, long handrails on coachroof for secure movement

8 x Fixed hull ports with track-mounted curtains and shades

2 x Opening cockpit and hull ports

6 x Lateral fixed windows with curtains

2 x Opening ports integrated into lateral windows

6 x Opening deck hatches

Sunsail striping and graphics

ENGINE & STEERING SYSTEM

Yanmar 40 hp engine

Fully soundproofed engine compartment with engine access behind stairwell and from aft cabin

Fixed 3-blade propeller

Built-in muffler, forced air ventilation and stainless steel exhaust fitting aft

Fibreglass rudder

53 gal. / 200 l rotomolded fuel tank located under aft berth with deck fill

Emergency tiller delivered with the boat, chrome fitting in cockpit floor

Fuel filter with water separator

Fire resistant engine room fuel hose

Engine seawater filter

MOORING & ANCHORING

Primary and secondary anchor

Anchor roller

1000 w electric windlass with hand held remote wired direct

Anchor locker with room for anchor and tackle, integrated windlass area, holder for windlass handle

COCKPIT

Twin steering wheels with compasses at each steering position and stainless steel grabrails

Throttle and engine control panel mounted at starboard helm, engine panel includes, RPM gauge, warning lights, ignition

Dedicated space for instruments within easy reach of helm positions, room for GPS chartplotter mounted at aft end of cockpit table with easy viewing from each helm

Throttle and engine control panel mounted at starboard helm, engine panel includes fuel gauge, RPM gauge, warning lights, ignition

Cockpit bench seating

2 x Cockpit lockers under bench seats and 1 lazette locker under the port helm seat for technical access to steering system

GRP folding cockpit table with storage, cup holders, stainless steel handrail, courtesy lighting

12 v cigarette lighter socket

Gas locker located in lazette locker under starboard helm seat, room for 2 gas bottles with connection to gas system and cut-off valve under stove in the galley

Retractable hot and cold water shower with tap

Liferaft locker located in dedicated compartment between helm seats

Storage compartment for companionway door in forward section of liferaft locker

Swim platform with swim ladder

Sprayhood and Bimini

MAST & RIGGING

Classic aluminium mast with double spreaders

Standing rigging -- discontinuous 1 x 19 stainless steel wire

Fixed backstay

Genoa furler with double slot, attachment to stemhead fitting and furling line lead aft to port helm winch

Topping lift, mainsail halyard, genoa halyard, mainsheet, genoa sheets

Rigid boom vang & tackle

Windex

2 x reef lines (single line reefing)

SAILS & DECK HARDWARE

Upgraded, heavy duty fully battened mainsail

Upgraded, heavy duty furling genoa with UV protection strips

Heavy duty lazyjacks and stackpack system

2 x Self-tailing genoa winches

Deep cabinet with shelves and hanging rod

White vinyl lining on hull with lateral wood shelf

TWIN AFT CABINS

Headroom: 6 ft 4 in / 1.95 m

6 ft 6 in / 2.00 m x 5 ft 1 in / 1.57 m double berths with high-density foam marine mattress

Deep cabinet with shelves and hanging rod per cabin

White vinyl lining on hull with lateral wood shelf

ADDITIONAL CRUISING GEAR

Bedding, linens and galley equipment

Mosquito screens

Safety equipment

The Sunsail 41

NEW for 2010/2011 the Sunsail 41 has taken on key design innovations which include the complete rethinking of the deck and sail plans to make this boat, not only fast, but incredibly easy to handle.

Twin wheels and a large swim platform make spending time aboard the Sunsail 41 relaxing and comfortable. Flush hatches and clean decks give the boat a sophisticated look while ensuring safe movements while on board. Special curved hatches and windows give the boat a sleek look while enhancing visibility and ventilation below.

Down below, the attention to detail can be felt throughout with its contemporary interior design, and a mass of light pouring in through numerous hull ports and overhead hatches.
